**TRADE LIST FOR
SUMMER 1938**

NAMED TUBEROUS BEGONIAS

Delivery in January

Priced at \$35.00 per 100

FLAME A large Camellia Double. The petals are compact and smooth. It is a brilliant orange-scarlet and has a beautiful sheen or luster. This variety produces an unusual number of blossoms to each bulb.

RED TRIUMPH A ruffled Camellia flowered double of ruby-red with a velvety texture. The flower has a definite center and is one of the largest of all double Begonias.

ROSE DAWN A perfect Camellia type double. The petals are very long and even, and the flower very symmetrical. It is a rich, clear rose,

AUTUMN GLOW An extremely large Cristata type, the tufts or crests of which are a deep copper, contrasting with the rest of the flower, which is apricot. The flowers sometimes measure ten inches across. The foliage is very attractive, and much more luxuriant than any other Tuberous Rooted Begonia.

STARS & STRIPES A Camellia type double of dark red, striped and speckled with white. The flowers are not large, but this plant is very vigorous and single bulbs often produce over a hundred blooms. One of the finest of the Le Papillon type.

SUNSET A large crispa type. Very heavily and symmetrically frilled. Outer edge dark orange with apricot center.

TERMS: Firms not having accounts with us will please forward 25% with their order. 2% discount will be allowed for cash.

Crop failure or any cause beyond our control releases us entirely from delivery.

We give no warranty, express or implied, as to description, purity, productiveness, or any other matter of any seeds or bulbs we sell, and we will not be in any way responsible for them.

WHOLESALE ONLY

The Brown Bulb Ranch does not sell retail. We believe that it is unfair to compete with our customers.

DOUBLE CAMELLIA FLOWERED

This is a strain of Giant Camellia Flowered Doubles, which we have developed through years of hybridization and importation. We do not believe it can be equalled anywhere at any price.

CRISPA

A type producing large, profusely frilled and ruffled, single flowers. Many firms are recommending this begonia for bedding purposes rather than the ordinary single.

CRISTATA

A single type, slightly frilled. A coxcomb-like tuft or crest is borne on each petal.

SINGLES

This type produces the largest flower. Specimens sometimes measure ten inches across.

HANGING BASKET

The Pendula or Lloydii type. This is an unsurpassed strain containing only Double Flowers. often hundreds of blossoms to a bulb.

DOUBLE FRILLED OR CARNATION

(FIMBRIATA PLENA)

This type is rapidly gaining in popularity. The petals are frilled with serrated edges, the flower closely resembles a carnation.

DAFFODIL FLOWERED (*Narcissaflora*)

The flower has a trumpet and resembles a daffodil, a very unusual and interesting type. In mixture only.
